

Acknowledgment of Legal Requirements for RN Licensure Prior to Entering a Nursing Program

I have been informed about the requirements for seeking a Declaratory Order from the Texas Board of Nursing, If I have an outstanding eligibility issue as described in the UIW Accelerated Bachelor of Science in Nursing Track admissions webpage under Legal Requirements for RN Licensure. I have been informed that if an eligibility issue arises while I am enrolled in the program, I am required to report it to the Dean or BSN program chair within 3 days of the event to determine eligibility to continue. Failure to report may result in dismissal from the program.

IMPORTANT: 1) **Please type your information** on the form and make sure to double-check that everything is correct. Incorrect information will delay your background check and could impact entry into the nursing program. 2) Print out the completed document and sign your name. 3) The form must be completed and submitted to NursingCAS. 4) You have the option to upload this form without your social security number. If you select this option, you must mail the complete form with your social security number to: UIW School of Nursing ATTN: ABSN Dr. Yvonne Davila, 4301 Broadway, CPO #300, San Antonio, TX 78209.
